and Broadway is sadly in need of regains. Hospital Supplies.—We have just received a letter from Mr. Jacob Glosser, the Government to the Government at Pittsburg, which informs us that, on the 19th instant, he delivered according to the instructions of Quartermaster General Meigs to the instructions of the formations in the day of the descriptions of the contributions in the day, the first than a small the contributions in the day of the contributions in the day, the contributions in the day of the day of the contributions in the contributions in the day of the day of the contributions in the day of the plants of the army only pay for the hooks and tracts give a new year of the formation in the first than the first than the first that the first that the first than the contributions in the contributions in the day of the formation of the contributions in the contribution of the contributions in the contributions in the contributions in the contribution of the contributions in the contribution of the contribu

to his letter: Instructione will be given to Quartermaster at Louisville, if Gen. Negley does not need thom, to distribute them to any regiments in Kentucky, the slaughter atomed the Felle will be inaugh-rated to-dny or to-morrow. The packing husi-ness here the present season will be limited far

in meking and gathering these goods. At their solicitation, I have, agreeable to their unanimous wish, ferwarded them to your State.

We feel confident that we do but anticipate the wishes of the volunteers in Kentucky by thanking the ladies of Allogheny county, in their name, for their considerate attention. Our State has a nxperienced so many marks of kindness from our lived with their fallows. They are dependent upon Christian benevolence for their religious reading. And I sam informed that they devousely thing of the kind they receive with avidity. Now, my brethreu, remember that them poer fellows dwell continually in the very face of death, and (and thought) many, very many, doubtless. noon and evening performance to day. We have ing the ladies of Allegheny county, in their name, and can only repeat that he is the most wonderful experienced so many marks of kiedness from our brothers and sisters of other States that we can never repay them except by resolutely preserving that devotion to the Union which has heretofcre heen menifested.

> JEFF. THOMPSON REVIVED -We hear from Democrat. Under date of the 19th, the writer

Jeff. Thompson has again turned up, as I informed you per telegroph. Calonel Ogleshy's ex-pedition has but just returned (you may sey) from Pintte Valley yesterday, just as she was about backing out from Price's Landing. Jeff, was there in person, and was known and rengaled by a suppler of hoard.

and rejoined their regiment here.

To Com. Wilkes, who so cleverly bagged Slidell and Mason, earned a world-wide renown as commander of the United States Exploring Expedition to the Southern and Paccific Oceans. He is not only a good sattor, but a mon of large literary and ecientific attainments.

Who he Was.—The Lieut. Colonel Crogban, who was killed by Gen. Benham's command in Gen. Rosecrane's last brush with the enemy near Gauley proves to be a son of the lete Colonel. If the suspicion is correct, he and his crew.

RELIEF TO VOLUNTEER FAMILIES -At a reglar meeting of the Volunteers' Families' Relief Committee, held at Dr. T. S. Ball's office on the The report to which I alluded in my last, proves | 18th inst, the following memorial to the Legiebe only partially true. The messeeger sent lature was unanimously agreed upon. We comont to Barhoursville and Flat Lake, report that ply with the request to publish it with great pleasure, as the memorialists are influential citi-Lees, and the olicts they desire to accomplish mmend themselves to every heart. the Honorable the General Assembly of the

> spectfully represent your petitioners, "The Volueteers Families Belief Committee of the The State of Kentucky has over 25,000 volum the field. As our older tions are more generally loyal than lbe young, to industrious nore than the reckless, and the nume that, out of the aggregate of twenty-five

usand non-commissioned clicus and privates y be counted who had families dependent upon a exertions and who leave Those families he-

me how or other deductions unavoidable at always made; part of the remainder will, with the most occurrenced, go to purchase at the Sut-lor's booth, at prices proverbially exorbitant, such camp luxuries or camp comforts without which many accustomed to sedentary hubits or a richer diet would never preserve health and vigor; nor ere most soldiers economical, nor are the ins curity and unsteadiness of their lives apt to breed palits of economy.

Thus only a small portion of their monthly wage:

cau ever reach their families, and as the allot meut system has never yet been carried inte effect, as pay rolls are often irregular and pay masters ofton backward in their visits, the little that should go from the so ther to those dependent upon him will often come too lata, never too ular army showing disciplies superlor to that of

Few wives, few mothere can by their own efforte o much for their own and their family's support, uning the winter especially, acr will the scanty suittances out of the soldier's weges he sufficient beke out their living. Still the volunteer's famy must live we cannot allow them to starve, or to freeze for want of fuel, nor to lies from por to door. The wife of the patriot who lays awa his own life to save that of his neighbor and this cannot won the total strong the second live. his country must not be degraded into a men in his country must not be degrated into a men-licant, she must not be locked down upon by the wife of him who was less patriotic or less brave, she must not provoke either the malignant axul-tation or the cold pity of the treitors still ecourn-

f then there can be no question, that during e impending winter the wives, the little chil-en, the eged mothers of our volunteers must be lieved, and that the relief must in some shape other come from our own people, the question ill remains. Shall the burden of relieving ther rall on our citizens exclusively in proportion to their call and layelty under a system of free will contributions, or shall the means of relief come equally from the people of the whole State, in proportion o their ability to give, not excluding those who ave added in bringing the present troebles upon by and the forther question, shall the relief giv-n les tendered as a mero alms, or shell it be ox-Lieutenant, Wm. McDowell as Second Lieutenant, and Harry Hooker as Orderly Sergeant. We have been informed that the result of the consoli-En Jesse Gilbert, who is a member of the State

them in his boat one by one, handceffing them as they were pulled in. In addition to which from the stern of the enemy's loat, which floated, he to k cloven hundred dollars in grid end from thousand deliars in their worthless paper money, it was with some difficulty that he reached the fort, the gunwale of the boat heing almost level with the water with a learness of right.

Commodors Paulding and the now real Commodors Paulding and the now real Commodors Tainall were very intimate felands in to the time of the latter turning realer. Will the everyment was allowing officers to reslan, the two had a long laterview, in which Commodors Paulding exhausted every argument to Indice athall to remuln in the service of his country. But it was all in vain. At the cless of the conference, Tatnell put the question—"What will you do if we meet?" The answer was prompt and energetic: "I will shoot you." Tainall doubted his ears, and repeated the question in a deprecating tone. He recived the same answer with additional vim, and became thoughtfol.

We understand that the government will prob-We understand that the government will prohy relieve Commodore Paul ling from his post as manuacr of the Brocklyn Navy Yard, and asan him to active service. He is full of he and eather the integrity of the nation.

But, before I where, I would simply etain that, in my unsperieuce and particle, I have luvariably found that fall planting is the best, and, nmong the thousands of trees and ally sold from my n nerry, fail and a ring, the column to fall how the best by the.

A FORWARD MOVE .- We have sews from the carCol. W. C. Whitaker's recliment passed

through the city yesterday cor into to Spring Garden.

We are at length able to amounce that one of following:

We are at length able to amounce that one of the leavised division of our army at Bowling Ground in Illinois for the war.

Letter from a Renet at Bowling Grant correspondent of the New Orders Pleans Pleasure wrote that paper as fell we on the sath inst:

Col. Stanton, not Gen. Savage, is in command of the Confederate forces at Berksville.

Col. Stanton, not Gen. Savage, is in command of the Confederate forces at Berksville.

Col. Stanton and Gen. Savage, is in command of the Confederate forces at Berksville.

Col. Stanton and making the division was needed marching or division was needer marching or division. Handse's division was needer marching or division was needer marching or division. Handse's division was needer marching or division. The culture of standards, which we sath inst.:

Col. Stanton, not Gen. Savage, is in command of the Confederate forces at Berksville.

Col. Stanton not Gen. Savage, is in command of the Confederate forces at Berksville.

Col. Stanton not Gen. Savage, is in command of the Confederate forces at Berksville.

Col. Stanton not gen. Savage, is in command of the Confederate forces at Berksville.

Col. Stanton not constitute the two division of our among the day of an in our climate.

Standard oses, investic and urpictures que the day of an in our climate.

Standard oses, investic and urpictures que the day of an among the day of an among the marching or detail to be an among at them are stanton of the confederate of the New Ordinary to be an among at them of the day of an among the marching or detail to be an among at the

Col. Stanton, not Gen. Savage, is in command of the Confederate forces at Berksville. One regiment of his has goes to Seatstille. Allen of the sensing are concentrating in coesiderable force at Cabinabas, Addir country, under desertable. The enemy are concentrating in coesiderable force at Cabinabas, Addir country, under desertable force at the sensition to that effect it is reliable as scarcely to beare a deep of its correctness.

At least five even r giments from the North have come to Katucky within a week, and probably the strongth of the eceny has been augmented to that time to a still greater extent. Their force cow in the State is certably largely superior to that of the Confedera even and our probable extremely a decirable probable of the confedera even and our probable extremely a decirable probable of the confedera even and our probable generated at Counberland Gap can be held by Gen. Z linder expense and the confederate of the confederate extent of the confederate force of the Manassas of Kentacky is the Western Kentacky the Federals have been being entrenched at Counberland Gap can be held by Gen. Z linder expense and the confederate force of the Manassas of Kentacky is the Western Kentacky the Federals have been being entrenched at Counberland Gap can be held by Gen. Frank Rivers offered the Philadelphiaos a silver and a tin gohiet for the hest and the worst connectrum, with the following result: Best-Why was Col. Edward D. Baker virtually dead and burled hefore the haltle at Riwards ferry? Because he was under the Banks of the Potomac from the east line of W. P. Hahn's Floyd effect: and a Shone was put over him. Worst—"Why is a horse like a chair? Because it has four legs.

FALL PLANTING TREES -Upon the proper weason to plant trees much has been said and written. But notwithstanding this, there seems to be a division of the proper william Johnston... seems to be a division of opinion on this subject among those who plant. But li ls a setperations. More than one of the destroyed rinders wore of such extent as that, with their mans of r constructing them, there can be little that the most dormant state in the pe of an doleg far many precious menths to come.—IVashington Etar, 16th. A Spacession Membre of a New York Chun.
J. P. Budjamin, formerly an Uni of States Section of the State of Loui land and new the robal Secretary of War, who issued the Infameus order holding Colonel Corcorau, of the 69 herginant, as a hostage for the condetored pirate Smith, is a member of a prominent clink of this cly. Seen infer the roballion by ke out efforts were made to efficient in the club list. O jection was made by one or two members and it was stated that his next dues would nut be roll and he would s then the least circulation of san in the tree, plant early in the apring. But when you plant early, the root is liable to logary by freezing and thus bis next dues would not be paid and he would noturally cease to be a member. The dues were, however, paid, and lu spite of the protest of three hading nembers that Borjamin is a robel and traiter who cannot come to this section of the country without enbjecting blined to arrest for the bighest orline known to our laws, and prayl ground becomes settled. And if this is planting, and perhaps not so well; for in addition to the want of fresh fibres or roots being formed before warm and dry weather comes for the bighest orline known to our laws, and prayl ground becomes settled. and prayl g that his name be stricken from the list, he still centinues a member of the club the matter has been brought up it has been trailed. Whonever the matter has been brought up it has been tabled.

Mr. Slidell was a momber of the same club, but his does expired last Angust, and, as oo one was enficiently interested in bis case to renew them, he has cested to be a member. He has recently blined the select club which is now holding a protracted session at hort Warran.

New York Evening Post. spin, comes, and nature dictatea pr wh to the tree, it at ris right along. But, if you wat men wish to excape the eligina of hishand eaching, they must act and look like marble or clay, cold, expressionless, blockles; for every appearance of through with again by the tree; and perhaps through with again by the tree; and perhaps through with again by the gone of ceiing, of joy, sorrow, friendlicess, antibathy, demiration, di-gus, are alike concurred by the world line an attempt to hook a busband. Never nind well meaning women have their own contained well meaning women have their own contained.

Rose Pyramus .- Thomas Rivers, in hi rebel forces by the way of New Orleans, Thor, New Rose Amateur's Guide, gives the followthe Nashville Patriet of the 6th fernishes the ing hint as to a new practice with the Hybrid

np to ment five feet in height, which, in the aggregate, will amount to seven buds. You will thus have formed the foundation of a

I need scareely add that the shoots from the growing season, so as to throw all its strength into the bads. It will also be advisa ble to pinch in the three topmost bads rather common expression, draw up the sap too rapidly, and thus weaken the lower buds. The rininal shoot must be cut off early in June. In the course of a year or two magnitic-r yramids may thus he formed, their stem completely covered with foliage, and far our bassing anything yet seen in Ruse culture. eve as yet found no Rose equal in vigor Madame Fiscrom, although when attention turned to the subject other varieties may per haps be found. If extra strong growth be de ired, the stem may be suffered to grew two easons before it is budded.

Tho most free-growing kinds such as Jule Murgettin, General Jacqueminot, Colonel de Rogemout, Triomphe des Beaux Arts, Lord Roglan, Sonvenir de la Reine d'Angleterre. Triomphe de l'Exposition, and other kinds o vigorous hahit, these will form grand pyramida from six to seven feet in height. For smalle The following letters to Gov. Rector, of Little Rock, and Hon. J. R. Pattersos, of Jackeonport, or highly interesting:

PITTIBLE FROM The defeat of Gon. Jeff. Thompson by the Federals, near Fredericktown, on the 221 lestage, exposes the portion of our border to immediate damper of lovasion, or d the large supply of army eleres and amunition at Possion at the desiruction or seizure by the enemy, from the most reliable information, the enemy are over 7,000 strong at Ironton, and 3,000 on the rought of t pyramids those of more moderate growth may
